STORY

The Jean Short Party (JSP) began on July 18, 2010, as a birthday celebration for Dave Thomas at a club in Royal Oak, MI. Known for his unique personality, Dave requested one rule: everyone had to wear cut-off denim shorts. With live music and all his friends in attendance, the event quickly became a beloved tradition for everyone who knew him.

In 2015, Dave lost his battle with mental illness, leaving a profound impact on his community. To honor his memory, Dave's friends decided to continue the annual party, transforming it into a fundraiser for Suck It! Suicide, an organization that holds deep meaning for those who loved him. Now, each year, JSP not only celebrates Dave's life and spirit but also raises awareness and support for suicide prevention.

2025 marks the 10th Jean Short Party since we lost Dave. We are proud to say that the event has grown each year, raising over \$64K since 2016.

THE SUICIDE PREVENTION OUTREACH PROGRAM AND MAIN FUNDRAISER FOR SIX FEET OVER

Suck It! Suicide is the suicide prevention and outreach program of the non-profit organization Six Feet Over, servicing the great state of Michigan.

Six Feet Over's mission is to provide financial and emotional support for survivors of suicide loss and individuals with lived experience of suicide while engaging in community prevention through mental health education and advocacy to support healthier futures.

WHAT DOES SIS DO?

To make our vision a reality, Suck It! Suicide strategically positions itself within the community and defines 4 goals. These goals help us create profound change at the grassroots, familial, and community levels throughout Michigan.

Educate

We educate, train, and equip individuals with helpful and relevant resources, to encourage awareness, understanding, and conversation about suicide and mental health.

Assist

We assist individuals with finding resources to local supports as well as those with lived experience and their families to ease the difficulty and pain of their grieving and healing processes.

Cultivate

We cultivate a visible presence in the community through collaboration with artists, musicians and local businesses, to make our work and our passion better known.

Distribute

We distribute our branded products and awareness materials, to further our visible presence and help fund both our programs, Suck It! Suicide and Lemon Aid.
